GP letters can only state facts as they are in the records. Payment for GP letters for patients is required on collection from the main surgery. An invoice will be sent when the letter is available. Payment is required in <b>CASH</b> as the surgery does not have a card machine.		
The surgery aims to complete private work in <b>4 weeks</b> , however this may be affected by GP workload and staff absence.		

*Prices true as of the 1st April 2026*
